## News from Pastor Yatta

The Christian Community Church Mission provides support for education, health and general wellbeing to children and adults in Sierra Leone

The ministry has its own inimitable style. It is based upon love being a verb and upon sport. An example is Pastor Yatta describing Christmas:

We look forward to the Christmas meal every year. We are really grateful to God for the provision you are making. This time I divided the money into 4 parts and you can see photographs at: <https://lovesierraleone.org/2023/01/19/christmas-feeding-program-dec-2022/>

1. Kono Church. They did a big cook, brought 63 children to church and fed them. Many Children from the neighbourhood came around but they had to restrict to the children in the church.

2. Central Church in Freetown. They did a whole day of treats, entertainment, games and food for their Sunday school children at the beach.

3. Sports Life Ministry. We cooked for 68 teenagers after their sports training on Christmas Eve. They ate so much that they don't want to go home! I also gave them a small amount of money to take to their parents to help with the family meal on Christmas day.

4. Grace Community Church Mambo. The newest church in the Mission. They bought toys and used clothing to share with the children and members. The church lives in a very poor community 58 people benefited.

## PRAYERS

1. For the schools ministry, the community training, the beach ministry, and the coaching programs.
2. For the Pastors and for ongoing funding to support the work.

We express our sincere thanks and appreciation to God for your goodness to us. When we are hungry you feed us and when we are naked you clothe us.

Pastor Yatta.
