## News from Pastor Yatta

We spoke with Pastor Yatta recently. He expressed thanks for the medical supplies sent over the last 12 months. These were collected by our Trustee, Ian Gill and comprised perfectly good commonly used medical items that were simply “out of date” by UK standards. We will be looking to grow this resource in 2026. Life is tough in Sierra Leone with high levels of unemployment and a growing drug culture amongst the young. Pastor Yatta values all the financial support that helps him work with the young.

## Annual Christmas and New Year Appeal

We recently launched our annual Christmas Appeal and so far, we have reached over 20% of our five-thousand-pound target. You can donate via the just giving link below and also direct through the Love Sierra Leone website.

After last year's Christmas and New Year meals Pastor Yatta wrote:

Happy and blessed 2025. On behalf of the Sierra Leone Ministry and the parents of the children I say a very big thank you for providing the Funds to feed the children

. It was indeed a blessing to put smile on the faces on the children. The parents are grateful

About 465 children are fed with the funds you provided. 4 communities benefited. 1. Mambo in Freetown, 2. Meama in Kono, 3.Sawolla and Kanekoh in Kono. Some of the children were singing and Dancing as they were going home because of what they ate and the good time they got.

Thank you, thank you, thank you . May the good Lord bless you all.
